Improve your bottom line.

 HealthSure
prevent. protect. prosper.

Big Ideas for Smaller Hospitals

HealthSure understands the needs of rural and community hospitals. We've helped countless group practices and member hospitals across the state diagnose insurance problems, meet safety standards and develop quality improvement and risk management strategies.

With over 30 years of experience and as the endorsed **TORCH INSURANCE PROGRAM MANAGER**, HealthSure can help you reduce and stabilize the cost of insurance.

30+
years

When TORCH members partner with HealthSure they receive special program benefits:

- Leveraged buying power
 - Greater choice and flexibility in terms and conditions
 - A single point of contact for all insurance products
 - A hands-on service approach
 - Expert knowledge of hospital industry issues

“My experience with HealthSure has proven to save my hospital significant money while improving coverage and maintaining the integrity of our self-insurance program.”

- John Henderson, Childress Regional Medical Center CEO

“TORCH partners with HealthSure because of its impressive array of services for our members. HealthSure specializes in the needs of rural and community hospitals and has a solid history of success across the state.”

- David Pearson, TORCH CEO

We've Got You Covered

As one of the largest specialty agents and brokers in Texas, HealthSure is able to flex its negotiation muscle to make sure you get more insurance options at the best rates, while our customized solutions fit your hospital's specific needs.

Your insurance options:

- Hospital Professional Liability
- Property Insurance
- Directors and Officers Liability
- Automobile and Ambulance Insurance
- Physicians' Medical Malpractice
- Workers' Compensation (Group Discounts with HOTComp)
- Privacy Liability
- Employee Benefits and Group Health Insurance
- Self-Insurance Alternatives for Liability and Workers' Compensation
